

**3rd Annual Strike Out Leukemia
Co-Ed Softball Tournament
Benefiting Hopes Haven**
Saturday July 27th, 2013
Mission Oaks Park, Camarillo, CA

Our **3rd annual Strike Out Leukemia Co-Ed Softball Tournament**, benefitting Hopes Haven will be held Saturday July 27, 2013. We expect our event attendance to be 500+ including tournament players and community members from around Ventura County. The event will have a kids fun zone with activities for children and families as well as a snack bar, silent auction, raffle, Blood Drive, and Bone Marrow Drive. Please see the event website www.hopes-haven.org for more tournament information.

When a family is dealt the blow of a life-threatening diagnosis for their child, their world turns upside-down. Hopes Haven was created to enrich the lives of children battling serious illness or injury and assist families facing financial hardship due to their child's medical condition. Our focus is to assist the children and families of Ventura County who need extra support during such difficult times. It is the least we can do for our friends and neighbors.

Our 100% volunteer-run organization offers many opportunities to support families in crisis. First we provide fun, education and connection for kids facing medical isolation, hours in chemotherapy or extended hospital stays through our **iPad Project**. Second, our family giving program supplies gas and grocery cards, financial assistance, as well as other tangible aid to families hit hard by the financial burden of their child's medical condition. Third we offer children in treatment a variety of outings, ranging from high end red carpet VIP experiences to the often lost ordinary movie night.

This cause is especially close and personal to our tournament founders and Hopes Haven board members Michael and Robin Fortini. Their son Mikey, 4 years old at the time, was diagnosed with Early Precursor T-Cell Acute Lymphoblastic Leukemia. After treatment which included a bone marrow transplant from his younger brother, Mikey is now in remission and enjoying life as any young boy should. The Fortini family knows first hand life doesn't always unfold as planned. They are passionate about returning the generosity, compassion and financial support they received. We invite you to join them and Hopes Haven by donating to our **3rd Annual Strike Out Leukemia Co-Ed Softball Tournament**. Your donation will be part of our silent auction.
